

'll' Tarsia

www.galacticphonics.com

The image shows a large green hexagon divided into six triangles. Each triangle contains a word with the 'll' sound, an illustration, and the word written upside down for a matching activity.

- Top-left triangle:** well (illustration of a well), well (upside down)
- Top-right triangle:** doll (illustration of a doll), doll (upside down)
- Middle-left triangle:** mill (illustration of a windmill), mill (upside down)
- Middle-right triangle:** bell (illustration of a bell), bell (upside down)
- Bottom-left triangle:** skull (illustration of a skull), skull (upside down)
- Bottom-right triangle:** troll (illustration of a troll), troll (upside down)

Additional words and illustrations in the triangles:

- Bottom-left triangle (top):** ill (upside down), illustration of a person lying in bed.
- Bottom-right triangle (top):** gull (upside down), illustration of a seagull.
- Bottom-right triangle (middle):** hill (upside down), illustration of a green hill.
- Bottom-right triangle (bottom):** drill (upside down), illustration of a power drill.
